

Historic and Prehistoric Iron Smelting and Processing

20th to 22nd of May 2015

Stará huť u Adamova, Czech Republic

Preliminary program

20. 5. (Wednesday)

- construction of furnaces, drying-up and roasting of iron ore etc.
- iron smelting

21. 5. (Thursday)

- iron smelting
- lectures (in the evening)

22. 5. (Friday)

- iron smelting
- smithy treatment of bloom(s) and demonstration of fabrication of simple iron objects (knives, etc.)
- party around a fire place in the evening

Charcoal pile will be prepared in advance and burned during the event.

Accommodation and food

Participants are expected to pay for the accommodation and food themselves (there is also a possibility to be accommodated in the main building of the Technical Museum in Brno /ca 30 minutes by car from Stará huť, 9 euro per night / or to sleep in sleeping-bags in the Museum of Stará huť /shower available/).

Further information:

The lectures can be published in „Archeologia technica“ magazine in April 2016.

Another iron smelting for public will take place and other events organised by Technical Museum in Brno and others will be held in Stará huť at Saturday May 23. You are all invited to stay for this event.
